Teacher Guide

This guide offers guidance on organising and planning your teaching and on how to prepare your learners for the final assessment. The Teacher Guide also suggests some teaching strategies that incorporate language learning in the classroom. Many of our candidates are either multi-lingual or possess English as a second language and by integrating language learning into normal classroom teaching, teachers can expose learners to expressing themselves in English at the same time as they are acquiring knowledge and skills within the subject.

Next Steps

This guide helps prepare you and your learners for the transition from Cambridge IGCSE[™] First Language English 0500 to Cambridge International AS & A Level English Language 9093. It contains an outline of the key differences between the IGCSE and the AS & A Level courses in both content and assessment, common questions asked by learners, suggested resources and an example classroom activity.
